The Long Ride

Well, we did it – Wellow to Land's End (235 miles), completed on 11th September. One minor mishap when Pat and Anne managed to fall off, caused by unseen barking dogs, Anne bounced and Pat didn't hence the smart purple plaster. An RDA Instructor from Cornwall stood (or rather sat!) in for the last 10 miles- perhaps the most beautiful part of the ride. The sun came out and the sea was a perfect blue. A slideshow and talk about the ride will take place on Thurs 15th October at 6.30pm in the indoor school schoolroom. Please come along, refreshments will be available
