## Spring 2013

Welcome to our spring newsletter.

Firstly I would like to say a big thank you to Tina, Aimee, Harriet and Jess for working so hard throughout a very cold and wet winter. Let's hope we have a better summer this year.

As you will see we have now resurfaced the outdoor school and filled in some of our pot holes. Many thanks go to Frank for sorting this out.

Please can you all make sure that you help us to maintain the school surface by keeping it clean and tidy. There is a skip kept by the school gate to pick up any droppings

Please note that only children over 10 years old and are members of the Pony Club can be left on the yard to help out for the day. Unless, they are here on any of our organised event, or are supervised by their parents.

We have started our Pony Club League competition for this year congratulations to Scott Stevens and Katie Taylor for being our first winners in February half term.

We welcome more of the Pony Club members; to join in at Easter there will be competitions run every school holiday. With points added up at the end of the year to go towards some super rosettes given by Pony Club headquarters. Please keep your eyes open for dates; these will be put on the Wellow face book page, Wellow web site [www.wellowtrekking.com](http://www.wellowtrekking.com) and on flyer in the reception

A quick reminder to all lesson clients. Group lessons must be paid for at the start of each month; by doing this it holds your place on the lesson.

Please remember to let Kate know in reception if any of your contact details change so we can keep our records up to date. Thank you.
