

# Newsletter February 2010

## RDA News

Not much to report for January but we are pleased to say no lessons were cancelled during the bad weather; however some riders couldn't get here.

Roll on spring!

Archie, a Highland pony, is a new acquisition generously donated by his owner who was no longer able to keep him. He has already been put to good use.

Finally, can you, or do you know of anyone, who would like to be a volunteer? We particularly need helpers on a Monday morning. Please contact Anne via reception if interested.

Many thanks.

## Pony Club Camp

Just a reminder about the Pony Club Camp running on the 3<sup>rd</sup> of April, there are still places available.

Please sign up in reception.

## Railway Line

From the 2<sup>nd</sup> of February the railway line will be open, as the shooting will be over.

## February Half Term Activities

We are booking for February half term activities and still have plenty of vacancies. Please see reception for more details and bookings.

## Riding and Road Safety

Would anyone be interested in taking part and earning their Riding and Road Safety certificate? Please ask for more details in reception.

## New School Surface

The outdoor school will be getting a new surface in February. Please bear with us whilst it is being done.  
Thank you.
