“I really enjoyed Pony Club Camp because of all the activities and fun we had in the evenings. Our picnic ride was the biggest highlight of the whole camp for me because it wasn't just the riders that had fun the ponies did as well. The preparing for competitions was fun especially trying to plait. I would definitely do it again next year but it would be nicer if it was for a longer period of time to earn more badges and do more competitions and games”

Harriet Eames

“I really loved Pony Camp it was great fun. I wished it was longer. Also I really liked the food and where we stayed. The 3-4 hour ride was great fun to. Also playing with the horsey hoppers and bikes were amazing. I really wanted to stay longer. The quiz was fun and I liked how we had loads of prizes and rosettes. And the next day when we did the competition, that was wicked as my pony was extremely good! I really loved camp and I want to do it next year!”

"I thought camp was good and enjoyed it but I would like it to be a little bit longer because it would be good if we did more things. The 3 hour ride was good and I really enjoyed the ride, we also did a jumping competition and that was good and I liked the round that we had to keep going over any jumps we wanted. Overall I think it was really good and I would love to do it again!"

Aimee Buchanan

"I really liked the fact we could chose which pony we could have for 2 days. When we went for the hack it felt and was really fun. The camp itself was so fantastic that it should have been longer. The jumping and games was so cool! The horsey hoppers were funny and the bike gymkhana was hilarious. It was so cool! I wish it could happen every month."

They will be arriving at Silverton around midday, where Ricky, a rider here, will take the lorry on to Uplon Hellions, the 1st night's stop, some 9 miles west. Progress (or otherwise!) will be recorded on the website "Wellow to Lands End" with daily updates. If all goes well, arrival at Land's End will be on 10th September.
